

FOR IMMEDIATE RELEASE

HyLoSo International Exhibits at Towson University Vendor Fair

Bethesda, MD — April 29, 2025

HyLoSo International, a dba of Hyper Local Solutions LLC (HyLoSo), a Veteran-Owned and MBE-certified systems integrator and a value-added reseller, the company participated as an exhibitor at the Towson University Vendor Fair at the TU University Union. The event brought together procurement leaders, university representatives, and small business vendors for direct supplier engagement and contracting readiness. HyLoSo's delegation — led by Founder & CEO Christopher Rivera — included Candice Zhang (Applications Development Project Manager) and Ornella Tessofo (PR Manager). The team showcased HyLoSo's integrated portfolio spanning Technology Services (AI & Business Data Analytics, Cybersecurity, Cloud, Infrastructure, Software Development, IT Project Management) and Facilities Services (Maintenance, Energy Audits, Access Control, Environmental Support). HyLoSo's approach aligns with Federal, State, and County mandates: (1) Small & Diverse Business Empowerment — SBA reforms, Maryland equity, Montgomery LSBRP/MFD; (2) Infrastructure & Facilities Readiness — CHIPS/AI/data hubs, Business Ready, MOVE Act; (3) Workforce & Innovation — apprenticeships, EARN Maryland, County upskilling.

About HyLoSo International — HyLoSo International (Hyper Local Solutions LLC) is a Veteran-Owned Small Business (VOSB) and Minority Business Enterprise (MBE) recognized by the State of Maryland with a Governor's Citation for Integrity & Innovation. HyLoSo delivers mission-focused solutions across Technology Services (AI & Analytics, Cybersecurity, Cloud, Infrastructure, Software) and Facilities Services (Maintenance, Energy Audits, Access Control, Environmental Support). Headquarters: 10411 Motor City Drive, Suite 750H, Bethesda, MD 20817.
